About Us

The Corner Kick Booster Club is a volunteer-run organization committed to supporting the Waxahachie High School Soccer Program. Through fundraising, events, and community engagement, we help give our student-athletes the resources they need to succeed — on the field and beyond.

Our Purpose

- Promote Waxahachie Soccer through community involvement
- Provide financial support for uniforms, equipment, and scholarships
- Foster pride, unity, and excellence in our student-athletes
- Create memorable experiences for players, families, fans and businesses.

Why Sponsor?

When you support the Corner Kick Booster Club, you're doing more than writing a check. You're making a lasting difference in the lives of local Waxahachie kids — kids who are learning discipline, teamwork, and leadership through sport. Sponsorship shows that your business cares — not just about success, but about the heart of the community.

- **Over 200 soccer families and their extended networks**
